A permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. All permits require final inspection.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

Bureau Veritas Contact Information

Permit Submittal

The permit documents and fees will be submitted to the city. Submittal documents should be complete to expedite plan review and permit issuance. Please contact the city for a complete list of permit submittal requirements.

Plan Review

Bureau Veritas will be conducting residential and commercial plan reviews. The applicant will be contacted by Bureau Veritas if revisions are needed. You may contact Bureau Veritas' Plan Review Department for the status of your permit at (469) 241-1834 or toll free (800) 906-7199.

Inspection Requests

Please contact Bureau Veritas to request inspection(s). Any of our permit technicians can assist you. Inspections requested by 5:00 pm Monday – Friday will be performed the next business day. Inspection requests can also be faxed to the Bureau Veritas office.

Inspection line: (817) 335-8111 or (972) 980-8401
Inspection FAX line: (817) 335-8110 or (972) 980-8400
Toll Free number: (877) 837-8775
Toll Free FAX line: (877) 837-8859

Field Inspections

Inspectors assigned to your area can be contacted via cell phone. Please call the Bureau Veritas office at (817) 335-8111/(972) 980-8401/toll free (877) 837-8775 for your inspector's name and number.

We look forward to working with you to ensure that the community is provided with a safe and durable built environment.

City of Tom Bean, Texas

Building Requirements

This document is not meant to modify any Federal or State laws or City Ordinances. It is intended to be informative and to be used as a guideline. Where circumstances of a particular job differ from these procedures, the decision of the Building Department will prevail.

Building Codes

All Federal, State and local requirements are applicable to projects constructed within the City's jurisdiction whether specifically listed herein or not. The City of Tom Bean, Texas, has adopted the following codes and/or standards regulating building construction.

2003 International Building Code
2003 International Residential Code
2003 International Fire Code
2003 International Plumbing Code
2003 International Mechanical Code
2003 International Energy Conservation Code
2005 National Electrical Code

Building Permit

Before a building permit will be issued, all plans and documents related to the permit application must be approved by the Building Department and all applicable fees paid to the City of Tom Bean.

All Contactors performing work within the City of Tom Bean's jurisdiction must be registered with the City and provide proof of commercial general liability insurance for claims of property damage or bodily injury.

Construction or building without a permit is subject to a fine.

Inspections

Inspections received by 5:00 p.m. Monday – Friday will be performed the next business day. Inspections related to building construction must be called into Bureau Veritas at (817) 335-8111. Inspection requests can also be faxed to (817) 335-8110.

When all inspections are completed, a final inspection shall be made prior to approving the permanent power release. The final inspection must be passed prior to occupancy of building.

Construction Site

A temporary property address must be posted at the front of the lot and readable from the street. Permanent street numbers must be displayed before final inspection.

A portable sanitary restroom for your workers MUST be on your property until the final inspections are approved.

Construction dumpsters are available from an approved provider and must be ordered through City Hall. Construction area shall be maintained until job completion.

NO construction material, debris, or sanitary restroom facility shall be placed or stored in the public right-of-way or drainage areas at any time.

Erosion control must be in place prior to the first inspection.

City of Tom Bean, Texas

Residential Permit Submittal Requirements

CONSTRUCTION DOCUMENT SUBMITTALS: Two (2) copies of complete set of construction documents are required for plan review. Construction documents must be submitted along with a completed permit application form.

Site plans (plot plans) drawn to a scale of 1" = 20'. Site plans must show lot dimensions, footprint of building and distance from building to property lines, platted building lines, driveways, all easements, and the address and legal description of the lot.

Floor plans drawn to a scale of 1/4" = 1'. Floor plans must show all dimensions, room names, size and type of windows and doors, cabinets and fixtures, and ceiling heights.

Exterior elevation plans drawn to a scale of 1/4" = 1'. Exterior elevation plans must show exterior materials, windows and doors, roof slopes, chimneys, and overhangs.

Structural plans, where required, drawn to a scale of 1/4" = 1'. Structural plans must show second floor framing, ceiling framing, roof framing, headers, and beams.

Foundation plans (must be sealed by a State of Texas Licensed Engineer **or** Foundation Detail (IRC Figure R403.2) drawn to a scale of 1/4" = 1'. Foundation plans must show all dimensions, location and spacing of beams, location of post-tensioning cables (if applicable), location and sizes of rebar (if applicable), concrete specifications, slab thickness, beam sizes and details, post-tensions cable details (if applicable), other notes and requirements by the Engineer, and the address and legal description of the lot.

Engineer's foundation design letters. Letters must include a statement that the foundation has been designed specifically for soil conditions of listed lot and that design is in accordance with the building code, must be sealed by the State of Texas Licensed Engineer that designed the foundation plans, and must show the address and legal description of the lot.

Masonry on Wood details, if applicable. Masonry on wood details must be sealed by a State of Texas Licensed Engineer or built to the International Residential Code details.

Electrical plans (may be combined with floor plan) drawn to a scale of 1/4" = 1'. Electrical plans must show location of receptacles and other outlets, exhaust fans, smoke detectors, light fixtures, service equipment and panels.

Plumbing plans (may be combined with floor plan) drawn to a scale of 1/4" = 1'. Plumbing plans must show location of fixtures, water heaters, and gas outlets.

Energy Compliance Report or Energy Compliance Form.

NOTE: A Form Survey sealed by a State of Texas Licensed Surveyor will be required to be on site for the Plumbing Rough Inspection.
